

“New technology of electron microscope for material research”

Automation & sample prep

Material Characterization

Event Details:
Date : 25 July 2014
Place : Building 8, Seminar Room 8401 (4th floor)
 Faculty of Engineering,
 Kasetsart University, Bangkok
Contact : Dr. Ratchatee Techapiesancharoenkij.
 fengrct@ku.ac.th
 Ms.Pawinee Leangnirat / Crest Sales engineer.
 Pawinee.l@crest-group.net/ Tel: 0873284242

25 July 2014

09.00-09.30: register

09.30-10.30: EM new technology for Material science

10.30-10.45: refreshment

10.45-11.30: Dual Beam TEM sample prep workflow

11.30-12.00 : Q&A and End

12.00 : Provide lunch
